

LAIDBACK LEGACY®
REAL ESTATE

Date: June 27, 2025

To Whom It May Concern,

We are writing on behalf of Laidback Legacy, a boutique high-end real estate agency based in Cabo San Lucas, to request official press accreditation for the upcoming *Mifel Tennis Open*.

We would like to credential Daniel Romo, our in-house professional videographer and photographer, who leads our content and media coverage efforts. Daniel will be responsible for capturing and producing visual material from the event, which will be featured across our digital platforms as part of our lifestyle and brand storytelling strategy.

At Laidback Legacy, we go beyond real estate — we curate and communicate a lifestyle. Our clients are discerning, globally-minded individuals who engage with the world through culture, design, and exclusive experiences. Covering high-profile events such as the Tennis Open allows us to align our brand with the refined interests and aspirations of our audience. It also provides us with the opportunity to highlight the kind of elevated lifestyle Baja and our properties are immersed in.

We believe this content will not only showcase the prestige of the event but also reflect the values and energy that define our brand.

Please find attached our media kit for your consideration. Should you need further information, we would be happy to provide it.

Thank you for your time and attention.

Sincerely,

Netto De Santiago

Senior Administrative Executive
